

Rumblings for R.S.

The basic unit for contemporary art is not the idea, but the analysis of and extension of sensations—Susan Sontag

I know what you mean Susie
This is the 28th month
of a 4 1/2 year sentence:

I've got pain out to here
& I've run out of ideas . . .

Who knows?

Maybe art was better when it had
a moral tagline,

When a tree could metamorphose
into a perfect cross, or
if you couldn't understand, like
e.e. cummings said, that death waits
in a fragility of flowers, you
were lost to beauty.

Richard Harler
